

# The Sore Feet Song

Ally Kerr

I walked ten thousand miles  
Ten thousand miles to see you  
And every gasp of breath  
I grabbed it just to find you  
I climbed up every hill to get to you  
I wandered ancient lands to hold just you

And every single step of the way, I paid  
Every single night and day  
I searched for you  
Through sandstorms and hazy dawns  
I reached for you

I stole ten thousand pounds  
Ten thousand pounds to see you  
I robbed convenience stores  
'Cause I thought they'd make it easier  
I lived off rats and toads and I starved for you  
I fought off giant bears and I killed them too

And every single step of the way, I paid  
Every single night and day  
I searched for you  
Through sandstorms and hazy dawns  
I reached for you

I'm tired and I'm weak, but I'm strong for you  
I want to go home, but my love gets me through
